INTRODUCTION

The UltraLite Flash Drive is the smallest, lightest USB in the Integral range. Perfect for carrying your data and for use in the latest netbooks, laptops, home and car audio. UltraLite has a low-profile, capless design and is supplied with a key-chain.

FEATURES

- The leading miniature Integral Flash Drive, ideal for use in netbooks, laptops, USB compatible home and car audio
- Small enough to fit on your key-ring
- Low-profile, capless design supplied with a key-chain
- Unique ID (optional) – The USB Flash Drive can be personalised with a designated company identifying name or number. This will allow a Network Administrator to block access to unrecognised USBs for security purposes, whilst allowing the Integral USB Flash Drive to function as the 'official' company drive.
